INTERNSHIPS

Kodnest Technologies, August 2023 - May 2024

- Completed a comprehensive Full Stack Development course, gaining proficiency in both frontend and backend technologies. Acquired hands-on experience in developing dynamic web applications.

PROJECTS

Tunehub app, February 2024 - April 2024

- TuneHub is a web-based music streaming platform that allows users to stream music, create playlists, and search for songs, artists, and albums. The app offers a seamless user experience with secure user authentication and real-time music streaming.

drug shipment app, January 2023 - April 2023

- The Drug Shipment App is a web-based application designed to track the shipment of pharmaceutical products. The application allows pharmaceutical companies to monitor the status of drug deliveries in real-time, ensuring transparency and reliability in the distribution process. It includes features such as shipment tracking, status updates, and secure user management.
